KYC Registration Agency

Circular

Circular No.: NDML/POLICY/2021-0002

Date: September 14, 2021

Sub: Common KYC download format as per SEBI recommendations

Attention of SEBI registered intermediaries using NDML KRA services is invited to SEBI initiative towards standardization of KYC download format across all KRAs.

As part of a convenience, standardization and portability drive, all KRAs have developed common KYC download format keeping all the fields / Tags common across all KRAs. This download format will be available through API to intermediaries.

The new features will be available in NDML KRA system from October 02, 2021. Common file formats and sample files are attached as Annexure 1. Intermediaries are requested to take note of these common formats and make necessary changes to make use of the same.

In case of any clarifications/queries, please write to us at info.kra@nsdl.co.in or call to following officials on working days (Monday- Friday during 9.30 am to 6.00 pm)
