

New Feature Developed for Intermediaries to upload KYC documents for KYC Records in 'On Hold' and 'Pending with KRA' status

Now intermediary operational users can upload KYC documents for KYC records that are in 'On Hold' and 'Pending with KRA' status. This feature is available in Online Registration/Modification module and will enable intermediaries to upload KYC documents even after submission of registration/modification request.

Upload of KYC documents in case of KYC records in 'Pending with KRA' and 'On Hold' status

- Intermediary operational user will search the registration/modification request through online registration/modification option with the help of PAN search.
- Enter the PAN and click on 'Search' button.
